WIN TICKETS TO SUPERBOWL 52 IN MINNESOTA USA!

This is your chance to attend a once in a lifetime event - the 52nd Superbowl in Minnesota USA on Sunday, 4 February 2018. Watched by 115 million people around the world, tickets to one of the Greatest Shows on Earth are notoriously hard to come by - and we have 6 for you!

This year the excitement turns to Minneapolis Super Bowl 2018. Much more than moose, mittens and snow, Minnesota's Twin Cities of Minneapolis and St Paul consistently rank as two of the United States top cities to live in.

We'll fly you to Minnesota, and arrange your transfers to The Aloft Hotel - directly across from the U.S. Bank Stadium. Following welcome drinks and dinner in a local sports bar, you'll wake to breakfast, then get all the ins and outs of the two Superbowl teams, the players to watch, learn of the controversies of the season that was, and receive predictions on who will hold the Vince Lombardi trophy aloft from an NFL expert. Enjoy Happy Hour, and then it's off to see either the Minnesota Wild Ice Hockey Team or the Timberwolves NBA team (schedule permitting) with a drink card included.

Time for a little R&R over brunch, and your chance to spend the afternoon exploring the twin cities of Minneapolis and St Paul as you feel the excitement of Super Bowl building. If you wish, we can arrange day trips including, Ice Fishing, a Sled Dog adventure, a River Boat down the Mississippi or a visit to the Mall of Americas at your expense.

Then it's another Happy Hour and off to enjoy the city's Superbowl eve celebrations. This is the biggest sporting event on the planet and people will come to Minneapolis just to be part of the atmosphere. Take it all in after dinner and drinks - right in the heart of the action.

Only 66,655 people are able to attend - and you have drinks and nibbles, then a short stroll across the road for the Greatest Show on Earth! Something most people only dream of!

See over for your chance to be one of 6 winners!
